COMPANY OVERVIEW

H2 GLOBAL TECHNICAL SERVICES CO., LTD.

Established in 2009

HQ: G2.03 The Peak Midtown M8,

Phu My Hung, Ho Chi Minh City, Vietnam

Sectors: Oil & Gas, Energy & Industrial

Partners: L&T Valves · HollySys Singapore

26,700+

Valves Supplied

500+ km

Power & Control Cables ·
Fibre Optic Cables Supplied

1000+ projects

HVAC & Ventilation, smoke extraction, FFT & Fans supplied

15+ Yrs

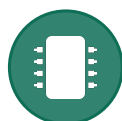

Valve & E&I Cable/Accessories Supply

Authorized L&T Valves distributor for Vietnam. Supplied >26,700 valves & >500 km of Power, Control & Fibre Optic Cables to BSR, NSRP, Vietsovpetro, PVGas, Hai Linh, Hiep Phuoc & industrial plants.

E&I Installation

Design, supply & installation of Electrical & Instrumentation (E&I) systems for large-scale Oil & Gas EPC projects.

Integrated Control & Safety System (ICSS)

In partnership with HollySys – integrated DCS/ICSS supply & support

HVAC, Ventilation & Smoke Extraction

HVAC design & construction, industrial ventilation, smoke extraction, FFT systems & Industrial Fans via our member - **TRAN GIA PRODUCTION ENGINEERING - TRADING SERVICES COMPANY LIMITED**

VALVE & E&I – FIBRE OPTIC CABLE / ACCESSORIES

Valve & E&I_Fibre Optic Cable Supply · L&T Authorized Distributor · Vietnam Market

VALVES

20,000+

valves

Dung Quat Refinery

PETROVIETNAM REFINING AND
PETROCHEMICAL CORPORATION

VALVES

4,700+

valves

**Nghi Son Refinery &
Petrochemical Complex**

Nghi Son Refinery & Petrochemical LLC

VALVES

2,000+

valves

**Hai Linh LNG · GVA Steel Plant ·
Industrial Plants**

CABLES

500+

km

**Power, Control & Fibre Optic
Cables**

Hai Linh LNG · NCS2 · Others

Valve Types & Cables Supplied

Manual Valves

SDV / BDV

Control Valves

Cryogenic Valves

Ball / Gate / Globe Valves

Power & Control Cables · Fibre Optic Cables ·
E&I Accessories

L&T Valves (Larsen & Toubro India) — Authorized Distributor for Vietnam

Official Authorized Distributor · Technical support, consultancy, after-sales service & spare parts

OFFICIAL PARTNER

TECHNICAL SERVICES

Partner for O&G and Power Plant for Vietnam Market

In partnership with

Delivering Control, Safety & Automation Solutions

Valves & Actuators

Industrial Software

H2 GLOBAL × HollySys

Capabilities & Solutions for the Vietnam Market

OIL & GAS

DCS / SCADA Control

HOLLiAS MACS-K DCS for upstream, midstream & downstream oil & gas operations

Safety Instrumented System

HiaGuard SIL3 – TÜV Germany & IEC 61508 certified for high-hazard process facilities

Field Instruments & Valves

High-accuracy instrumentation & control valves for harsh operating environments

Offshore & Pipeline

Over 60 offshore platform projects, compliant with Classification Society standards

Industrial Capabilities & Partnerships

Petrochemical

New Energy

Power Generation

Chemical Processing

H2 Global's Value Proposition

Integrated control & safety systems for the full project scope

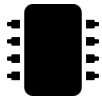

- ✓ Genuine HollySys equipment supply – in-country warranty & technical support
- ✓ Operations management & maintenance throughout the project lifecycle
- ✓ Engineering team trained & certified by HollySys (Singapore)

INTEGRATED CONTROL & SAFETY SYSTEMS

Integrated Control & Safety System · DCS · SCADA · ESD · F&G · CCTV

Deployment capabilities

H2 Global and HollySys (Singapore) specialize in implementing HOLLiAS MACS-K DCS, HiaGuard SIL3 ICSS, ESD, and F&G systems for oil & gas, LNG terminals, refineries, industrial facilities, and power plants.

HollySys Automation Technologies Singapore

REFERENCE PROJECT

2025–2026

Cai Mep – Phu My Gas Pipeline & Distribution Station

Total project throughput: 2.0 million tonnes LNG/year (2.0 MTPA)

Supply & implementation of integrated ICSS system

Supply & implementation of CCTV system

Supply & implementation of Emergency Shutdown System (ESD)

Supply & installation of Field Instrument Devices

Supply of Manual Valves and SDV/BDV

Supply & installation of E&I - Fibre Optic Cables

HVAC, INDUSTRIAL VENTILATION & SMOKE EXTRACTION

HVAC · Industrial Ventilation · Smoke Extraction · Fire Fighting

TRAN GIA

Our Member: TRAN GIA MANUFACTURE TRADE & TECHNICAL SERVICES COMPANY LIMITED

Factory: 8A Road 663, Phuoc Thanh, Cu Chi · Office: G2.03 M8 The Peak Midtown, Phu My Hung, Ho Chi Minh City, Vietnam
· Tax Code: 0313560271 (Est. 2015) · <https://trangiam.vn/>

HVAC & Air Conditioning

- Central Air Conditioning (Chiller, FCU, AHU)
- Building & Industrial Facility Ventilation
- Fresh Air Supply & Air Filtration
- Industrial Evaporative Cooling (Cooling Pad)
- Clean Room Systems

Smoke Extraction & Fire Protection

- Pressurisation System for Emergency Stairwells
- Corridor & Basement Smoke Extraction
- High-Temperature Fire Protection Smoke Extraction Fans
- Fire Dampers & Fire-Rated Ductwork
- Exhaust Gas Treatment System (Scrubber)

Industrial Ventilation

- Central Dust & Welding Fume Extraction
- Acid & Chemical Vapour Extraction
- Absorption Tower (PP / PVC / FRP)
- Cyclone Dust Separation System
- Agricultural & Livestock Facility Ventilation

M&E Cable Trays & Ladders

- Cable Ladders & Cable Trays (all types)
- Conduit, Elbows, Tees & Fittings
- Supply for Oil & Gas EPC Projects
- Turnkey Installation & Construction
- Custom Fabrication per MTO (Material Take-Off)

REFERENCE PROJECTS

Completed & On-going Projects · Oil & Gas · Energy · Infrastructure
